MUHAMMED K

UI/UX Designer & Front-End Developer

muhammedklkm@gmail.com | 9656216086 | Kottakkal, Kerala | LinkedIn | GitHub

PROFILE

I am a creative and detail-oriented UI/UX Designer and Front-End Developer with a robust foundation in Figma, Photoshop, HTML, CSS, and JavaScript. I excel in wireframing, prototyping, and transforming designs into responsive and user-friendly web interfaces. I am passionate about crafting intuitive digital experiences while continually honing my front-end skills

PROFESSIONAL EXPERIENCE

UI/UX Web Designer   11/2025 – 11/2025
Internship at Febno Technologies   Kozhikode, Kerala

- Developed responsive webpages using HTML, CSS and JavaScript ensuring 100% cross-device compatibility
- Streamlined design processes using reusable components, improving delivery speed by 20%
- Successfully designed and implemented a responsive personal website that increased engagement by 40% and reduced load time by 35%

PROJECTS

Advanced Leap Co ⧉
Business Website
Developed a responsive business website by converting an existing design into clean, functional front-end code

- Converted PSD design files into responsive HTML, CSS, and JavaScript code
- Ensured consistent UI and cross-browser compatibility
- Maintained clean, structured, and reusable front-end code

Green Track ↗
Logistic Website

- Designed the GreenTrack UI/UX in Figma, creating clean layouts and user-centric screens.
- Converted the Figma design into a fully functional responsive website using HTML, CSS, and JavaScript.
- Organized clean and maintainable code structure for scalability and future updates.
- Ensured pixel-perfect accuracy from Figma design to final web interface.
